Pure Golden Beeswax Blocks

- Beeswax is a traditional product used to protect wood from the destructive effects of moisture. It provides a strong, water-resistant coating for any wood product, especially those used in kitchens. It is a natural food-safe material. Beeswax may also be combined with other edible or inedible oils to provide other treatment qualities.

What is Lowe?

- Number 1 in rust prevention in Ireland for over 40 years.
- May be painted straight onto rust.
- Minimum surface preparation required other than the removal of dirt, oil, loose material etc.
- The first coat binds to the surface and has the effect of neutralising existing rust. The second and subsequent coats create a barrier to further corrosion.
- May be applied by brush or roller. Can also be sprayed once thinned.

Lowe Rust Primer

- A premium Rust Primer that may be painted straight onto rust.
- Minimum preparation of the surface is required.
- May be applied onto damp or even wet surfaces.
- Suitable for a wide range of applications including gates, cars, oil tanks etc.
- Provides an excellent base for most standard paints, although it does not need to be overcoated. However, a minimum of 2 coats is required.
- May also be applied to wood.

Polyvine Glitter Paint Maker

A shimmering metallic glitter specifically developed to add to any water based paint or var-nish giving sparkles of light to your finish. Simply mix with your choice of coloured paint or varnish to create a sparkling decorative effect. Ideal for adding to - **Chalk Paint - Metal-lic Paint - Emulsion Paint - Furniture Paint - Varnish**

Application: Add the glitter gradually to your chosen paint or varnish while stirring slowly and thoroughly. We recommend 75gr per 2.5ltr of paint or varnish, though you can add more or less depending upon the coverage you require. Use a smooth roller for best results and even distribution of glitter. The glitter will achieve its full effect when the paint or varnish is dry.

A unique acrylic varnish formulated to protect a wide range of surfaces. Ideal to use on emulsion paint and decorative paintwork.

Polyvine Oil Based Scumble

A traditional oil glaze with an extended drying time for decorative paint work. Dries to a translucent gloss finish on a wide range of surfaces. After brushing the pre-coloured Scumble over the base coat, the desired decorative effect is created by breaking the surface with a crumpled rag, bag or sponge. When the glaze is completely dry it can be sealed with a coat of Varnish.

Sanitary Silicone 808 is a waterproof sealant with a powerful anti-fungal additive to prevent unsightly mould growth in areas of high humidity. Ideal for sealing around sanitary plastics, ceramics, glass, melamine, laminates, anodised aluminium and lacquered metals.

Solar Reflective Paint

Cromasol is a superior, solar reflective coating and when applied to a variety of roofing substrates, provides lasting protection against UV degradation and solar heat gain. It is a ready to use product.

The product is suitable for use on roofs susceptible to ponding, as Cromasol is capable to withstand complete immersion in water for long periods. Once applied it is completely water resistant (unlike water based reflective paints), even where conditions turn to rain before the film has cured.

3-In-1 Wood Preserver

3 in 1 Wood Preserver is a solvent-borne wood preservative for the treatment of new and existing timber. It contains active ingredients effective against wood-destroying fungi (including dry rot) and wood-boring insects (including woodworm). It penetrates easily into wood and thereby gets deep into inner layers. After drying, it is odourless. It is used for pre-treatment of non-resistant wood in outdoor areas. It is applicable by brush (DIY), or by professional / industrial applications such as dipping and spraying in closed devices.

Suitable for all exterior wood, which is not in direct contact with soil or surface water, and not stressed statically. This includes for example, facades, windows (inner & outer parts), exterior doors (inner & outer parts), carports, shutters and balcony railings. The wood surface must be clean and dry before treatment. All existing coatings must be completely re-moved. If necessary, all grey and deteriorated wood should be sanded down to a clean, sound surface. The wood must be frost-free when treated.

Defend Surface Protectors

Product Code	Description	Pack	Barcode
CRSANCL	Carpet, 25m	1	5036684020688
CRSANWH	Hard Surface, 25m	1	5036684020725

Floor Defence is a range of self-adhesive floor protectors designed to defend your floor coverings from potentially expensive spills, dam-age and dirt that can occur during building, DIY and decorating work. It is incredibly easy to apply and remove, with the rolls reverse wound so no applicators are required. And being reverse wound the rolls are so easy to apply, and can be left down for up to 28 days and are easily removed once a job is finished, leaving no adhesive resi-due behind. The self-adhesive coating also means Floor Defence is a much safer alternative to dust sheets which can be a trip hazard.

Patination Oil

Specially developed to reduce unsightly staining to newly applied lead sheet and flashings.

EBLG1000	1ltr	6	5029347606012
EBLG2500	2.5ltr	4	TBC

A ready-mixed lightweight filler for the preparation of numerous surfaces prior to painting or wallpapering. Based on high strength lightweight polymeric fillers, the product outperforms conventional fillers in most applications. De-signed for professional and D.I.Y use. Fills up to 75mm deep in one application. Finishes to a smooth surface. No sagging and no shrinking. Quick drying - ready to paint/paper in just 30 minutes. Overpaintable with most solvent based and emulsion paints. Overstainable .Internal/external use. Dries brilliant white.

2-part wood filler

A fast drying, exterior and interior wood filler. It is easy to mix and apply and is completely weatherproof. Once mixed, the filler sets hard to a shatterproof finish in approximately 30 mins and may be drilled, carved or planed once dry.

Stixall

The ultimate combined building adhesive and sealant, based on hybrid polymer technology. Bonds and seals virtually EVERYTHING to ANYTHING in virtually all conditions, even under water or in the rain!

Douglas Professional Plastic and UPVC Cleaner efficiently cleans plastic garden furniture, sun blinds, window and door frames, garage doors, pipework and plant pots. It removes tough grime, dust, bird excrement, grease and food stains etc.

Virus Killer

Product Code	Size	Pack	EAN 5098929
DEF0750K	750ml	6	002187

- Kills enveloped viruses including CORONAVIRUS, HIV, Hepatitis C and Influenza.
- Pleasantly perfumed and safe to use on all common water-washable surfaces.
- An essential product in the fight against cross infection.

Traditional Polish With Beeswax

Product Code	Size	Pack	EAN 5098929
DEF0750E	750ml	6	500041

- Restores a deep radiant shine to quality and antique furniture.
- The traditional beeswax formulation is uncompromising - protecting and enriching wood in a style and splendour of a bygone era!
- It contains silicones for easy polishing and this also gives superior resistance to staining.
- The long-lasting water repellent formulation protects both leather and wooden furniture.
- Shake well before use. Lightly spray onto your duster and polish as usual.

- The Douglas Professional Cleaning Product Range offers an industrial-strength solution to many common household and commercial problem areas.
- These specialist cleaning products are specifically designed to be sold through the Hardware/ DIY and Co-Op sectors rather than through supermarkets.

Instant Drain Cleaner

OSD0025	250ml	12	330112
OSD0500	500ml	12	330211
OSD1000	1ltr	4	330228

- Industrial strength drain cleaner to rapidly clear blocked drains.
- Contains 97% sulphuric acid.
- ALWAYS FOLLOW THE INSTRUCTIONS FOR USE.

Toilet Cleaner and Descaler

Product Code	Size	Pack	EAN 5098929
DEF1000H	1ltr	12	010000

- A sulphamic acid-based cleaner and descaler for toilets, urinals, basins and washroom areas.
- Cleans and descales.
- Safe for use on stainless steel.
- Its' thick-clinging formula speedily removes stubborn limescale and stains.
- Read instructions before use.

Bleach

Product Code	Size	Pack	EAN 5098929
DEF5000N	5ltr	4	001043

- For general disinfecting and cleaning of drains, floors and lavatories.
- Disinfects and kills germs on most hard surfaces.
- Eradicates malodours at source.
- Keeps drains and toilets clean and sweet smelling.
- Laundry - acts as an aid to stain removal in white fabrics (always dilute before adding fabric/clothing).
- A powerful bleach against a wide range of pathogenic organisms.

Caustic Soda

Product Code	Size	Pack	EAN 5098929
BACS500	500gr	6	011608
BACS1000	1Kg	6	001180

- Unblocks drains, clears waste pipes, degreases and sanitizes.
- Follow instructions for use and NEVER USE AFTER USING AN ACID BASED DRAIN CLEANER.

Eco-Treat

Product Code	Size	Pack	EAN 5098929
DAEC01000	1ltr	4	501017

- Eco-Treat is the ecological way to treat and revive your septic tank as well as unblock, protect and clean drains and waste pipes around the home.
- Environmentally safe - non harmful and non corrosive.
- Build up bacterial cell count in septic tank.
- Contains natural enzymes.
- Ideal maintenance product for septic tank, drains and pipes.
- It is best used overnight when there is minimal water use. It should be used as a regular treatment to prevent the build-up of waste matter.

Multi Purpose Descaler

Product Code	Size	Pack	EAN 5098929
DAKETTS00	500ml	12	001982

- A fast-acting strong descaler ideal for kettles, shower-heads, steam irons and coffee makers.
- It removes limescale quickly.
- Read instructions before use, don't mix with other chemicals and use only in well ventilated areas.

Powerful Pine Disinfectant

Product Code	Size	Pack	EAN 5098929
DEF5000M	5ltr	4	000046

- Acts as a powerful disinfectant for walls, floor and drains in hospitals, schools, nursing homes, offices and factories etc. It is formulated using modern cationic bactericides which fully comply with the EU Product Directive 98/8/EC, ensuring a high level of protection for humans, animals and the environment. It should not be used in food preparation or serving areas.
- For disinfecting and getting rid of bad smells in toilets, waste pipes, refuse bins etc. – No dilution necessary.
- For washing hard surfaces, walls, floors etc. – dilute 1 part to 100 parts water.
- As an air purifier and spray – dilute 1 part to 60 parts water.
- For general cleaning – dilute 1 part to 30 parts water. Heavily soiled articles should be rinsed before use.

Carpet Spot & Stain Remover

Product Code	Size	Pack	EAN 5098929
DEF0750A	750ml	6	500003

- For use on carpets and upholstery that are not water sensitive.
- It can also be used as a pre-spotting fluid before normal extraction cleaning.
- Directions: Carefully agitate the stained area before treatment, then spray affected area and allow time to penetrate. Blot out the stain onto absorbent paper or cloth (or clean by extraction if necessary).
- Not suitable for leather.

Acid Etch

Product Code	Size	Pack	EAN 5098929
DEF5000P	5ltr	4	000251

- Cleans and etches concrete floors, ensuring effective “key” for seal application.
- Dilute 1 part to 4 parts water, brush or spray and allow to penetrate for 5 to 10 minutes before rinsing clear.

Carpet Cleaner

Product Code	Size	Pack	EAN 5098929
DEF1000A	1ltr	12	500119

- A wool-safe approved low-foam hot water extraction cleaner for rapid dirt removal. Suitable for all woven & unwoven carpets of natural and synthetic fibres.
- Low foam for ease of pick-up. Lemon perfume.

Brick, Tile & Concrete Cleaner

Product Code	Size	Pack	EAN 5098929
DEF1000L	1ltr	12	500133
DEF5000L	5ltr	4	500140

- For cleaning and de-scaling brick, stone and concrete, quarry tiles etc.
- Also effective for derusting metal.. Removes industrial grime and stains from brick and stone exterior.

Graffiti Remover

Product Code	Size	Pack	EAN 5098929
DEF0750D	750ml	6	500034

- Powerful, fast acting formula removes graffiti from brick, stone & concretes.
- Spray onto area, allow to penetrate and wash off with plenty of water.
- Low viscosity ensures quick penetration.
- Low odour.

Window and Glass Cleaner

Product Code	Size	Pack	EAN 5098929
DEF0750H	750ml	6	500072

- Fast ‘Spray and Wipe’ window cleaner with added vinegar for extra cleaning power.
- Leaves windows and their surrounds clean and smear free.

Heavy Duty Cleaner & Degreaser

Product Code	Size	Pack	EAN 5098929
DEF0750C	750ml	6	500027

- **Kitchen** - Removes grease, starch, sugars, protein deposits, stains, blood, vegetable oils and general food residue.
- **Living Rooms** - Removes nicotine, coffee stains, drink spillages and smoke stains.
- **Bathrooms** - Cleans sinks, taps, shower curtains and mirrors. Removes body fat from tiles and shower trays. Also removes mildew from grout.
- **Directions** - Spray on soiled area, agitate with cloth or brush and rinse off thoroughly.

Hard surface Cleaner

Product Code	Size	Pack	EAN 5098929
DEF0750B	750ml	6	500010

- Fast action bactericidal cleaner that will remove grease and grime from all hard worktops including granite and quartz.
- It is also suitable for use on vinyl, melamine, stainless steel and painted surfaces.
- Simply spray on and wipe off with a clean cloth or paper towel.

Oven Cleaner

Product Code	Size	Pack	EAN 5098929
DEF0750L	750ml	6	500188

- A powerful clinging oven cleaner which removes baked-on blood and food residues from ovens and grills.
- It's also suitable for cleaning extraction hoods.
- It may be used on aluminium but IS NOT suitable for use on galvanised or hot surfaces.

White Vinegar

Product Code	Size	Pack	EAN 5098929
DV0500	500ml	6	000992

- Ideal for cleaning most surfaces around the house including glass, mirrors, laundry & other surfaces.
- Removes stains from most carpets & fabrics.
- Non-damaging to plastic & chrome so it's good for removing limescale and water marks.
- Made from 100% natural ingredients.

**Bath, Shower and Sink Unblocker**

Product Code	Size	Pack	Barcode
BACL500	500ml	6	5014651410069

A sodium hydroxide solution specially designed to clear fat, grease and hair in kitchen sinks, baths and shower waste fittings/pipework.

Household Ammonia

Product Code	Size	Pack	Barcode
BAMMON500	500ml	6	5014651410007

A strong multi-purpose cleaner and laundry aid. Cleans and degreases tiles, work surfaces, stoves, windows, glassware and silver. Wax stripper for removing polish from floors.

Krud Kutter

Product Code	Description	Pack	Barcode
KK0750ORIG	Original, 750ml	6	5013296130011
KK5000ORIG	Original, 5ltr	1	5013296130059
KK0750GOFF	Gloss Off, 750ml	6	5013296130028

Krud Kutter Original Cleaner/Degreaser is a concentrated cleaner, degreaser and stain remover that quickly and easily removes tough stains from many different surfaces. Water-based, it contains no petroleum solvents, bleach or ammonia. It cleans what ordinary cleaners simply can't and is particularly good as a tile and grout cleaner

Krud Kutter Gloss Off - Cleans and de-glosses a range of surfaces without sanding or washing. It can be sprayed onto the surface using the trigger spray and should be removed with a clean cloth by simply wiping off. It takes just 10 minutes to dry before your new finish can be applied. It removes dirt, grease, grime, smoke, mildew, food stains, heel marks, crayon, old wallpaper paste, and wax from painted or unpainted wood, metal, or vinyl wallpaper.

CHAINS

Lengths of Hardened Chain

- A3 Hardened-through steel chain in a black cloth sleeve, studded at each end.
- Each chain is square-linked except the 12mm which is hexagonal linked for added cut-resistance.
- 8mm is ideal for bicycles. The 10mm and 12mm are better suited for motorbikes.
- The end links are extra-length to facilitate inter-locking and make it easier to use high-security armoured locks if required.
